

Information and Technology Services

Dear Parent,

We are excited to be able to share school events and student accomplishments with the world via the Internet. We would like to showcase your child's work or accomplishment on the school or District web site. Part of the motivation for students is that parents and community members will be able to view their work and accomplishments with pride. We are sensitive to the fact that not all parents may wish for their child's picture to be included in an Internet presentation. Be assured that **no addresses or telephone numbers will ever be included in conjunction with a child's name or picture.** If you prefer that your child's image not be included, this will in no way adversely affect any credit or recognition your child may receive for his or her work or achievement.

NO STUDENT PHOTOS OR WORK WILL BE INCLUDED WITHOUT STUDENT AND PARENT/GUARDIAN CONSENT

If you have further questions, feel free to call (619) 644-8252. Please direct email correspondence to: webmaster@guhsd.net

Bruce Nelson
Executive Director, Information and Technology Services
