

Grossmont Union High School District

Senior graduation status check

Dear Parent/Guardian:

A review of the transcript indicates that _____ has earned _____ credits and needs _____ additional credits in order to graduate. Earning a diploma requires that students not only earn the minimum 220 credits but complete all required coursework as well as state test requirements and district “check off” requirements.

1. Course requirements -

The following courses are required for your student to complete his/ her high diploma. Additional or specific courses may be needed to fulfill college admission requirements and should be discussed with the schools counseling staff.

___ English (___ credits remaining) ___ Fine Art / Foreign Lang. (___ credits remaining) ___ Math (___ credits remaining) ___ Algebra (___ credits remaining) ___ Geometry/ Post Algebra (___ credits remaining) ___ Physical Ed. (___ credits remaining) ___ Life Science (___ credits remaining)	___ Physical Science (___ credits remaining) ___ Geography (___ credits remaining) ___ Life Skills (___ credits remaining) ___ U. S. History (___ credits remaining) ___ Amer. Gov't. (___ credits remaining) ___ Economics (___ credits remaining) ___ World History (___ credits remaining)
--	---

Additional requirements -

met

not met

- CAHSEE - Math
- CAHSEE - English
- First Aid
- Tech Foundations
- Career Plan

Additional coursework proposed for credit recovery should student need more than 60 credits to graduate:

Fall

Spring

over

2. Post Secondary Educational and Career Plans -

Based on discussions with your student, the following post secondary plans represent a path likely to be pursued following graduation. A meeting will be held with your student during the fall semester to further develop these plans and assist with the necessary applications for colleges, financial aide and so on. If you would be interested in attending this meeting please contact the school's counseling office.

Primary career goal : _____

Addition career interests : _____

College / technical training plans (if required by career choice)

___ 2 year college - major _____ campus _____

___ 4 year college - major _____ campus _____

___ Trade or Technical School - type of training _____

Additional post secondary routes

___ Military - branch and training specialty _____

___ Move directly into the job world *

** It is generally believed that a quality career or "good" job will require at least 2 years of post secondary education or training. The Grossmont Union High School District strongly recommends that all graduates seek additional formal educational or training opportunities.*

3. Comment or suggestions (required tests, deadlines and so on)

The above information represents the best information that is available regarding your student at this point in the senior year. Please direct any questions or concerns about graduation status or post secondary plans to the counseling office so that appropriate actions may taken in a timely manner.

Respectfully,

Counseling and Guidance
